

# Humanities & Fine Arts

## Associate of Arts

This curriculum is designed to prepare students for a major in art. Humanities/Fine Arts help people understand, analyze, and explore the human condition. Student activities in music, theatre, and art club help enhance a student's classroom learning. There are some opportunities for employment after two years, but many careers require a Bachelor of Arts degree. Students planning to complete a four-year degree should enroll in the A.A. program.
