

**ARTICULATION AGREEMENT
BETWEEN
ASHFORD UNIVERSITY
AND
CLOUD COUNTY COMMUNITY COLLEGE**

INTRODUCTION

This ARTICULATION AGREEMENT formally recognizes that Ashford University and **Cloud County Community College** are active educational collaborators, committed to providing greater educational opportunities and services for students transferring between institutions. This commitment strongly supports the concept of seamless transfer that embraces the principle that transfer students should not be required to repeat competencies already achieved.

Ashford University and **Cloud County Community College** enter into this ARTICULATION AGREEMENT in the spirit of cooperation and to mutually recognize each other as quality institutions of higher learning. Each institution is dedicated to serving students from diverse populations.

PURPOSE

The purpose of this ARTICULATION AGREEMENT is to enable **Cloud County Community College** students who transfer to Ashford University to carry with them the credit they have already earned for as much relevant study as possible. This ARTICULATION AGREEMENT provides a structure through which transfer articulation on all levels can be supported. The transfer guidelines outlined in this ARTICULATION AGREEMENT are applicable to students transferring to Ashford University from **Cloud County Community College** only.

TRANSFER ELEMENTS

Cloud County Community College Associate's Degrees

This ARTICULATION AGREEMENT establishes that students who transfer from **Cloud County Community College** to Ashford University and have earned an associate's degree with a 2.0 cumulative GPA or higher are accepted as fulfilling all General Education and competency requirements of an Ashford University Bachelor's program when one of the two conditions below is satisfied:

- 1) The student meets the General Education requirements for Bachelor of Art degrees offered through state universities in the **State of Kansas**;
- OR
- 2) The transfer credits have been evaluated and deemed acceptable by Ashford University Registrar's Office.

For either condition, the associate's degree will be transferred as a block covering General Education requirements as appropriate to each degree program. This does not constitute a waiver of any course required to earn a particular major.

Completed blocks are treated as whole; the components are not examined separately to determine transferability towards General Education requirements. **Cloud County Community College** students will not have to repeat General Education requirements at Ashford University except where major coursework applies as determined by Ashford University. All other credits are accepted and applied toward the designated/appropriate Ashford University degree to satisfy elective and major requirements as appropriate and applicable and in accordance with Ashford University current transfer credit

policies.

Cloud County Community College students with a minimum cumulative GPA of 2.0 entering Ashford University under the terms of this ARTICULATION AGREEMENT will be admitted into Ashford University provided they meet all admissions requirements for the applicable program as determined by Ashford University.

Cloud County Community College students transferring to Ashford University without an associate's degree will have all college-level/non-remedial courses completed at **Cloud County Community College** with a grade of "C-" or better, and which do not duplicate other credits earned by student, accepted for transfer as either an elective, General Education requirement, or an exemption or replacement for a required course as deemed appropriate in accordance with Ashford University current transfer credit policies.

Cloud County Community College students shall proceed through Ashford University admissions process and shall meet all requirements and deadlines applicable at the time of application. **Cloud County Community College** students shall comply with all current policies and procedures of Ashford University.

Cloud County Community College General Education Curriculum

Completion of the **Cloud County Community College** state-approved General Education Curriculum will transfer as a block and will satisfy lower-division General Education requirements at Ashford University. The General Education Curriculum can be transferred and accepted as a component of an associate's degree or as a stand-alone General Education block not affiliated with an associate's degree. In the event a state-approved block of General Education Curriculum does not exist, the **Cloud County Community College** General Education Curriculum will be evaluated and accepted by Ashford University on a course-by-course basis.

Associate in Applied Science (AAS) Degree

The Associate in Applied Science (AAS) Degree represents the attainment of in-depth technical competency within an identified occupational area. However, **Cloud County Community College** students may need to obtain competencies in the area of General Education. Ashford University will provide AAS transfer students with a flexible degree plan that will meet Ashford University's Baccalaureate Degree requirements.

Award of Upper-Division Credit

Cloud County Community College students who transfer lower-division credits beyond that required for an associate's degree, or whose lower-division credits are equivalent to designated upper-division course content, may have these courses evaluated by Ashford University and, where appropriate, they will be applied toward the course in the major. Lower-division credits transferred to satisfy upper-division courses do not constitute completion of the 30 upper-division credits required for graduation. Therefore, even if upper-division courses are awarded, **Cloud County Community College** students will still need to obtain a minimum of 30 upper-division credits at Ashford University to meet graduation requirements.

Maximum Number of Transferable Credits

The maximum number of transfer credits that can be accepted and applied toward degree completion is 90 credit hours.

TERM

The term of this ARTICULATION AGREEMENT exists indefinitely from the date of the last signature to this Agreement unless it is discontinued by either educational partner by submitting written notification to the other partner one year prior to the identified cancellation date in order to protect all students transferring between these institutions, such that students who transfer pursuant to this ARTICULATION AGREEMENT are not adversely affected by cancellation of this ARTICULATION AGREEMENT.

MISCELLANEOUS

Nothing contained herein shall imply any partnership, joint venture or agency relationship between the parties and neither

party shall have the power to obligate or bind the other in any manner except to the extent herein provided.

This ARTICULATION AGREEMENT may be amended only by a written agreement signed by both parties. Notwithstanding the previous statement, Ashford University reserves the right to amend its programs, policies, procedures, and criteria relating to transfer credit in its sole discretion at any time. Such changes will be reflected in the Ashford University Catalog.

This ARTICULATION AGREEMENT may be executed in two or more counterparts, each of which will be deemed an original, but all of which taken together shall constitute one and the same instrument. A facsimile or .PDF signature shall be deemed an original for purposes of evidencing execution of this ARTICULATION AGREEMENT.

The signatories to this ARTICULATION AGREEMENT represent and warrant that each has the right and authority to execute this Agreement in their individual or representative capacity, as applicable.

I am writing to formally notify you that Ashford University is accredited by WASC Senior College and University Commission, 985 Atlantic Avenue, Suite 100, Alameda, CA 94501, 510.748.9001. The University changed its primary institutional accreditor from The Higher Learning Commission of the North Central Association of Colleges and Schools (“HLC”) to WASC effective 11/21/13. In connection with this change, the main campus of Ashford University is now the center for its online operations, which is located at 8620 Spectrum Center Blvd., San Diego, CA 92123. The University’s operations at its traditional ground campus located at 400 N. Bluff Blvd., Clinton, IA 52732 remain uninterrupted. All online educational and student service functions have continued without interruption during this transition, and no faculty or students have been impacted by this operational change.

The University is very excited about this transition and looks forward to working with WASC and you in the coming months.

If you have any questions, please contact Michael Foehrkolb, Associate Director of Articulation/Military Partnerships, at michael.foehrkolb@ashford.edu or 800.798.0584 ext 4680.
