The FWS is a need-based program and part of the financial aid package. Each year you must complete the FAFSA and submit a new FWS application to determine if you are eligible. Completion of the Employment Application does not guarantee eligibility or placement in a FWS position. Applicants are matched with department requests and are assigned to areas that correspond with their interests and abilities. Working hours are arranged around your class schedule Monday through Friday from 8 a.m. to 5 p.m. There are a limited number of positions that work after 5 p.m. or on Saturdays. Some positions are selected through interviews. The number of work hours assigned is approximately 12 hours per week, while classes are in session at a rate of \$7.25/hr. Positions generally are filled on a first come, first served basis. Other considerations include Supervisor/Sponsor preferences, your class schedule, and priority will be given to returning sophomores, and individual skills and experience that a student possess. Assignments will generally be completed after training and employment paperwork has been completed during the first week of classes.
